HOUSE RESOLUTION No. ____

Introduced by: Kirchhofer

A HOUSE RESOLUTION urging the legislative council to assign to an interim study committee the topic of ignition interlock devices.

Whereas, Ignition interlocks are similar to breathalyzers and are installed in automobiles to measure a driver's blood alcohol concentration;

Whereas, Today, many states are requiring that ignition interlock devices be installed as a penalty for drivers convicted of driving under the influence, especially repeat offenders;

Whereas, It behooves the state of Indiana to examine all possible methods to reduce the unnecessary loss of life and injury caused by drunk drivers: Therefore,
